-Lelouch Vi Brittania-

He knew, that unexpectedly,

he was certainly attatched to Kururugi Suzaku.

Probably, from long, long ago.

It feels
like it's the real thing.
It's soft, too.
But really,
if you do it raw,
it's colder.
Condoms feel great.
But,

What, what?
Is this your hobby, by chance?

It looks easy to move in too.

You totally like to move around, really ♥

I can't believe
that I have to eat lunch
in this outfit.

You want to show off your transformation, don't you?
Oooh!
So that's it!
I won't say "Get the hell out."
I'll go and help Lelouch.
Eh, OK.
I'm such an enchantress!
You guys will suffer for me~?!
Ahaha
There is no reason to.

It's fun, isn't it?
If there's a reason for it,
it's there.
No,
There is a reas on..
Better not touch..
He's really into this.
Is it really that great?
I don't want to think about what he does sometimes

Jeez, FINALLY, Lulu-chan-...
We finally got you to do this, so have some FUN!
Please just let me leave and forget all about this.

Is it ok? Even some for me?
It's fine, theres enough for all of us.
Over here, Suzaku.
Sayako-san made us a Japanese lunch.
Wah, really?
WOW!
So lovey-dovey!
Go away.
It's time for a girls' Lunchtime Adventure!
Luluko
You think I don't get it?

What, don't tell me you like Luluko--

He wanted to wash off completely, he said.
with Suzaku.

This is the worst.
Good work.
The president's hobbies are too tiring.

But,
it was fun.
That's because she's not a bad person.
I'ts been a while since you've taken a shower, huh.
Yeah.

It's the club's shower room, so
I'm not the only one who uses it.
Have you ever gone in with Rivalz or someone else?
What an exciting Student council.
... because you're "Friends"?

Definitely,

You too,

My Lelouch

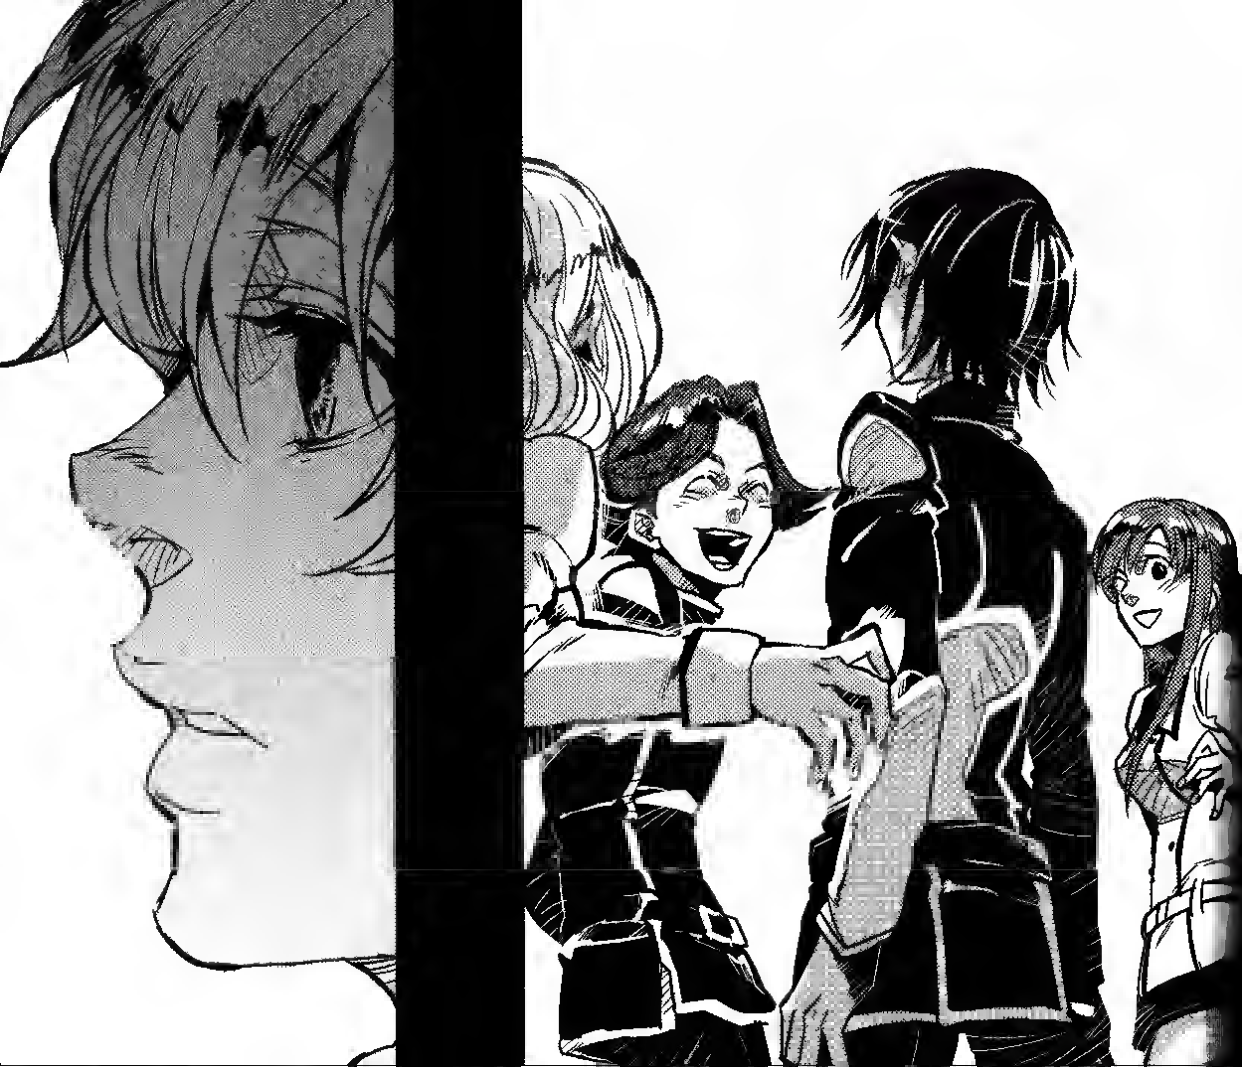
Because we're friends.

Because we're friends.

Because we're friends.

So,

It's fine.



I'm going to cry.

Is there something bothering you about Lelouch?

It's better if he doesn't notice.
